 A 3D CAD model of a complex, multi-barreled weapon barrel assembly. It features a large, flared muzzle end and several smaller barrels extending from a central housing.	Main Weapon 2 Barrel	1
 A 3D CAD model of a rectangular mounting bracket. It has a circular cutout on the front face and a complex, multi-faceted top surface with several small rectangular features.	Main Weapon 3 Mounting	1
 A 3D CAD model of a barrel holder assembly. It consists of a base with a textured, ribbed surface and two cylindrical barrels mounted on top. The barrels are secured by a complex bracket structure.	Main Weapon 3 Barrel holder	1
 A 3D CAD model of a single, long, cylindrical barrel. It has a slightly wider section in the middle, possibly for a mounting or a specific diameter change.	Main Weapon 3 Barrel	1
